COREL® PROFESSIONAL PHOTOS

High Resolution & Royalty Free*

Recognized worldwide for its award-winning business and graphics applications, Corel is also an industry leader in stock photography. The Corel® Professional Photos collection offers users thousands of top-quality images in a format that fits their needs. Many Corel products include a sampling of these breathtaking images. However, users who need images on a specific theme, or who require constant access to a photo library, will find the perfect solution in one of the Corel Professional Photos standalone products.

There are three easy ways to purchase Corel Professional Photos:

- Shop online at Corel's Web site at www.corel.com
- Order directly from Corel by calling the customer service center nearest you
- Purchase through regular retail channels

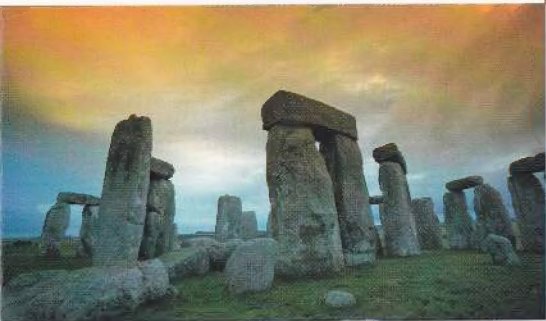

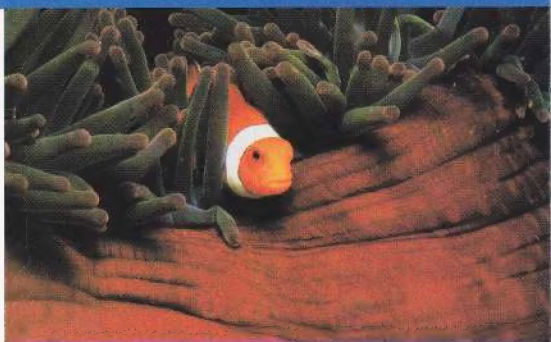

Corel Professional Photos are ideal for all your visual communication needs. Add flair to brochures, presentations and multimedia projects with these razor-sharp images. All photographs are high resolution, royalty free* and in the Kodak CD format. Get the captivating photo you want every time with Corel Professional Photos—photographic excellence on CD-ROM.

*This product is provided under an enclosed license agreement that defines what you may do with this product and contains limitations on warranties and your remedies.

www.corel.com
